

# HEAT PUMP & CENTRAL AIR CONDITIONER

## ELIGIBILITY:

- Eligible split system heat pumps, central air conditioners, and package unit heat pumps that meet or exceed current ENERGY STAR standards qualify for a \$300 rebate per unit.
- Eligible mini-split (ductless heat pumps) that meet or exceed current ENERGY STAR standards qualify for a \$300 rebate per qualifying outdoor unit.
- Maximum of 3 heat pump or central air conditioners, 6 per lifetime per premise/location rebates per year.

To confirm the ENERGY STAR certification of a product, visit [www.energystar.gov/products/certified-products](http://www.energystar.gov/products/certified-products), e-mail [hotline@energystar.gov](mailto:hotline@energystar.gov) or call 888-782-7937 to speak with a representative.

## HOW TO APPLY:

1. Please read all of the terms and conditions (program guidelines) to ensure that your new ENERGY STAR® appliance qualifies for a rebate.
2. Application must be completed in its entirety.
3. **Please enclose proof of purchase. Products must be purchased AFTER 1/1/15. Copies must be legible to receive the rebate.**
4. Please enclose a copy of the AHRI Certificate for your new unit (AHRI certificate can be requested from the installer of the new equipment).
5. Please save a copy of your application and proof of purchase.
6. Mail your completed application and proof of purchase to:

**Appliance Recycling Centers of America, Inc.**  
**ATTN: Order Management/Rebates**  
**175 Jackson Ave North, Suite 102**  
**Hopkins, MN 55343**

7. Rebate checks will be addressed to the primary account holder listed on the account and will be mailed to the designated mailing address for that account. Please allow 4-6 weeks for processing.
